

Join us for a steam-train trip through beautiful Nottinghamshire countryside with Santa! Always popular with Children, this is the best chance for them to tell Santa what they would like for Christmas!

Children receive a quality gift during their journey and everyone will receive seasonal refreshments.*

Booking is essential so do not delay as our Santa trains are popular and do get booked in advance.

Our shop and cafeteria will be open for gifts, drinks and snacks. The miniature railway and model railways will both be operating.

*Special dietary requirements should be advised to us at the time of booking.
